We Are Fed

Vocal/Guitar/Flute Version

Chris deSilva

Liturgical notes: This is a paraphrase of Psalm 103(104), which together with Psalm 33(34) and Psalm 22(23), was sung during Communion by the early Church. It was composed for use as a Communion Song.

Musical notes: The arrangement is for assembly, guitar and flute. Flautists may prefer to use this rather than the Vocal/Accompaniment Version as it has fewer pages. The flute part need not accompany every verse and refrain; instead, the flautist can support the assembly by playing the melody.

Text: The verses are a paraphrase of verses 1, 10, 13-15, 27-28 and 33-34 of Psalm 103(104).
